

Multigrow

Greenhouse

This strong and stylish greenhouse is the perfect partner for growing enthusiasts of all levels. All Greenhouses for Sale come in a range of colours and a choice of sizes with a host of unique options, all of which can be specified to suit your garden and growing requirements. Produced from the highest quality materials, the Multigrow Greenhouse displays superb strength and build quality and is ideally suited to Ireland's varied and harsh weather conditions.

Incorporating a unique heavy-duty steel base frame, each greenhouse is ready to accept paving slabs to act as an internal floor. The Multigrow Greenhouse can be fitted on almost any level surface, eliminating the requirement for major site preparations such as concreting.

If you are looking to start growing your own Fruit and vegetables or an experienced Grower, the Multigrow Greenhouse is the ideal maintenance- free Greenhouse to suit your needs. Plus lots of optional extras available to ensure your growing experience is as hassle-free as possible.

BETTER BUILT BY ADMAN

- **Robust construction:** Heavy duty galvanised steel framework throughout.
- **Superior finishes:** Safe edge folds on all exterior flashings; external screws finished with protective colour caps.
- **Maximum strength:** High impact resistant external polycarbonate sheeting.
- **Double sliding doors:** Opening to the left and right, doors can be left partially or fully open depending on the user's needs. Door opening – 720mm wide x 1760 high.
- **Base frame included:** Included as standard, all Multigrow Greenhouse can be fitted on almost any level surface. A concrete base is not essential.
- **Good ventilation:** Roof corrugations allow for consistent ventilation at all times, helping to avoid excessive temperatures. A large sliding vent is positioned in the back gable for additional ventilation.

MADE TO ORDER

Choice of colour & sizes to suit your needs.

Widths: 1.94m, 2.44m, 2.85m

Lengths: 1.85m, 2.65m, 3.65m, 4.45m, 5.25m

Wall height: 1.88m

Prices from €1,699 including steel base frame – Continue scrolling down for full breakdown of Greenhouse price and size options.

Please note: Paving slabs are not included and must be supplied by the customer. Paving slabs add weight and stability to the greenhouse. Failure by the customer to install these slabs in the greenhouse base frame may result in the greenhouse moving in windy conditions.

Current delivery time 8 – 10 weeks
